

# 1<sup>st</sup> ANNOUNCEMENT

## ETRIA TRIZ FUTURE 2005

### 1 Objectives of ETRIA TRIZ Future 2005

Continuing the history of the first four ETRIA “TRIZ Future” conferences in Bath, Strasbourg, Aachen and Florence the global exchange of scientific, academic, industrials users and consultants of TRIZ forms the focus of the upcoming event in Austria. The idea of TRIZ Future 2005 is to share the knowledge of “East and West” TRIZ experiences focused on the topics:

- TRIZ Education and (vocational) Training (in universities, in schools, for managers; certification activities)
- TRIZ - Best Practices in Industry and SME's (case studies; integration & combination with other methodologies)
- Further Development of TRIZ (new results and findings)

### 2 Call for Papers

Please submit the abstract (~ 500 words) of your paper indicating the title, a brief current biography and the complete address of the author(s) – till April 25, 2005 – to the address of the organizing committee.

In order to give more space to networking and discussion it is planned to organize an extended poster session during the whole conference. Kindly inform us if you are interested in presenting your paper also as a poster.

Abstracts will be evaluated by an international group of TRIZ experts and, if accepted, the authors will be informed about the kind of presentation (oral or poster) and the guidelines for submitting their final papers.

The conference proceedings will be published. Conference language is English.
